

Publication Control Notice: Retained Source Text

PCN-25-01 • ORIGINAL ISSUE 2025 • ACTIVE ARCHIVAL CONTROL

A control notice requiring an archival identifier, original issue date, maintaining office, supersession relationship and curator note whenever a historical record is presented publicly.

PROVENANCE

Issued during the 2025 Reference Series Preservation Review to record how original artifacts remain available beside maintained methods.

WHY PRESERVED

Shows current stewardship: a modern wrapper can explain provenance without rewriting the original document.
